

PRE-DESIGNED SINGLE FAMILY FAMILY

LAUREL SINGLE-FAMILY

Perfect for a variety of projects, the Laurel model fits a typical city lot. Beautiful designer-chosen finishes and features abound in this three-bedroom single-family home. The open-concept floorplan features a large kitchen island, upgraded appliances (included!) and ample lighting. The spacious master bedroom has an en suite bath, and two additional bedrooms share a hall full bathroom. The covered porch and double-gabled roof add curb appeal. Price includes transportation & crane set within 50 miles of the Indianapolis factory.
